

IMPA ACT Supplier Engagement Map

A prerequisite of engaging in this process is that the IMPA ACT member has committed to live up to the requirements of the IMPA ACT Supplier Code of Conduct (SCoC) and has implemented, or is in process of implementing, the necessary systems and procedures within its own company to be in compliance with the SCoC. Quarterly, the IMPA ACT member is expected to send an updated Supplier Progress Steps Tracking Excel to IMPA ACT via info@impa-act.org.

Member Resources available at impa-act.org/member/dashboard/resources/

* Supplier assessed as low risk when:
1) SASS indicates that the supplier recognises its potential and actual impacts,
2) Supplier reports that it is in the process of implementing the SCoC

Supplier assessed as high risk when:
1) SASS was not completed sufficiently,
2) SASS identified serious risks,
3) Supplier reports no risk and full compliance with the SCoC
